WORK EXPERIENCE

Deloitte – Tax Consultant

I have been working within the tax area for almost 2 years, providing support to customers, helping to manage tax related activities and diving deep into tax scenarios requested by clients. Among the projects I've delivered and main activities I've worked on so far, I can highlight: Due Diligence, audit supports and currently, as a contractor at Amazon, I'm working within the Tax Engine Business team, supporting the inbound process, using Alteryx.
